The declared fuel and energy consumption figures are determined by testing under standardised laboratory conditions to comply with ADR 81/02. Real world fuel consumption is influenced by many additional factors such as fuel quality, individual driving style, load, traffic and vehicle condition. The declared fuel consumption figure should only be used for the purpose of comparison amongst vehicles.

*The information contained in this document is indicative only and correct at the time of printing, 2 August 2019. However, packages (including model lines), specifications, features, extras, options and equipment levels are subject to change without notice. The Manufacturer's Recommended List Price (MRLP) is expressed to be both exclusive and inclusive of GST and any applicable Luxury Car Tax (LCT) unless otherwise stated or indicated, but does not include charges for optional extras/features (including their fitment) or on-road charges such as Dealer Charges (for example, dealer delivery), Government Statutory Charges (for example, stamp duty and registration charges) or Compulsory Third Party insurance. Prices are rounded to the nearest dollar and are subject to change at any time and from time to time without notice. Some vehicles or equipment pictured and/or featured may not be available in Australia.

** Towbar fitment will disable hands-free access feature

*** Towbar fitment not permitted for all models

**** For vehicles equipped with COMAND Online will include Traffic Sign Assist. Traffic Sign Assist is a driver assistance aid only and may not be accurate in all instances. The driver at all times remains solely responsible for monitoring the driving environment and observing all traffic and / or speed signs as well as complying with all applicable road rules. In particular, when accepting the displayed speed restriction when Active Distance Assist DISTRONIC, cruise control, or the speed limiter is activated. It is the driver's responsibility to adjust the speed of the vehicle in accordance with the designated speed limits.

*****Leather upholstery may contain some areas upholstered with synthetic ARTICO material to increase durability and reduce long-term wear and tear.

● Standard Equipment | ○ Optional Equipment | - Not Available | NC - No Cost Option | A - Accessory

*The information contained in this document is indicative only and correct at the time of printing, 2 August 2019. However, packages (including model lines), specifications, features, extras, options and equipment levels are subject to change without notice. The Manufacturer's Recommended List Price (MRLP) is expressed to be both exclusive and inclusive of GST and any applicable Luxury Car Tax (LCT) unless otherwise stated or indicated, but does not include charges for optional extras/features (including their fitment) or on-road charges such as Dealer Charges (for example, dealer delivery), Government Statutory Charges (for example, stamp duty and registration charges) or Compulsory Third Party insurance. Prices are rounded to the nearest dollar and are subject to change at any time and from time to time without notice. Some vehicles or equipment pictured and/or featured may not be available in Australia.

** Towbar fitment will disable hands-free access feature

*** Towbar fitment not permitted for all models

**** For vehicles equipped with COMAND Online will include Traffic Sign Assist. Traffic Sign Assist is a driver assistance aid only and may not be accurate in all instances. The driver at all times remains solely responsible for monitoring the driving environment and observing all traffic and / or speed signs as well as complying with all applicable road rules. In particular, when accepting the displayed speed restriction when Active Distance Assist DISTRONIC, cruise control, or the speed limiter is activated. It is the driver's responsibility to adjust the speed of the vehicle in accordance with the designated speed limits.

*****Leather upholstery may contain some areas upholstered with synthetic ARTICO material to increase durability and reduce long-term wear and tear.

Combining our spirit of innovation with a genuine love of driving.

Driving Events

Experience an unforgettable, challenging and rewarding day on the track.

Whether you're a novice, or an experienced driver, Mercedes-Benz Driving Events is your chance to learn vital road skills from Australia's best driving instructors. At the same time, you'll get to experience the very latest in Mercedes-Benz automotive safety technology, across the range, from an A-Class to a S-Class and even off-road.

First Gear

Developed specifically for young drivers, as we believe that the earlier you develop confidence and defined driving skills, the safer you'll be on the road.

Teaching vital driving and safety principles, skills and behaviours. First Gear is simple; to help save lives. Developed specifically for the younger driver (18 to 24 years*), the program addresses the attitudes and behaviours that affect young drivers when they take to the road.

As most accidents start long before the actual collision, under the focused guidance of our professional driving instructors, you will learn to understand, recognize, avoid risks and handle critical driving situations.

This drive day will raise your awareness of typical dangerous situations and ensure you develop a new understanding of the vehicle and your skills, keeping you safer on the road. Available for drivers aged 18 – 24 years who hold a probationary or full licence.

Mercedes-Benz

The best or nothing.

Accelerate

Practice and experience the foundations of superior driving. This is your chance to combine education with exhilaration, and learn from Australia's best driving instructors. Master sudden manoeuvres, learn to make the right decision in a split second and be tested in emergency situations.

Under the personal guidance of our driving instructors, you will take part in a number of dynamic handling exercises that have been specifically developed to test you and showcase the technology and handling capabilities of the Mercedes-Benz range, including autonomous driving.

Finally, you'll also be taken on the thrill ride of your life in our Mercedes-AMG hot lap car. Available to drivers aged 25 and over who hold a valid full licence.
