Mercedes-Benz Financial

Introducing Agility and financial certainty.

The Mercedes-Benz Agility Finance Programme is designed to provide exceptional flexibility and peace of mind. So from the start of your journey with us, you'll remain firmly and comfortably in the driver's seat of the financial arrangement you choose for your new Mercedes-Benz vehicle.*

Best of all, Agility allows us to guarantee the future value of your vehicle.+ This means when your agreement comes to an end, you have the option to trade, retain or return your vehicle.

Start your journey.

The flexibility and assurance of Agility is just 3 steps away.

1 Choose your model

The first step in your Agility journey is the most exciting: choosing your new vehicle.

2 Choose your kilometres

Next it's time to tailor your Agility plan, starting with the kilometres you expect to drive per year.

3 Choose your term

Finally, choose the length of term and payment options that suit your circumstances.

First class finish.

Agility guarantees the future value of your vehicle.

So when your term comes to an end, you stay in control by choosing one of the following options:

Trade

Be protected from negative equity and use positive equity towards your new vehicle+ purchase.

Retain

Keep your vehicle, by simply paying or refinancing the Guaranteed Future Value+ amount.

Return

Hand back the keys and walk away (once excess kilometre and unfair wear and tear obligations are ticked off).
