

# The new X-Class.

Genuine Accessories for your X-Class.

Mercedes-Benz

## Genuine Accessories for your X-Class.

Crafted by Mercedes-Benz, styled by you. With a wide range of styling options, storage solutions and wheels to choose from, you can make the X-Class your own. The styling components have been designed to enhance the form of the X-Class, but that doesn't mean function is forgotten – far from it. Each element has been developed to do its job as effectively as possible, while delivering quality that's built to last.

# Exterior

	Part Number
01 <b>Sports Canopy.</b> The flush, no-handle design of the canopy, which is painted in the same colour as the vehicle, matches the vehicle's design. The canopy extends the load compartment and protects the cargo from theft. Thanks to high-quality materials, it is robust, long lasting and helps keep moisture and dust from the cargo. All of the windows have a dark tint and provide both heat protection and privacy. The window configuration is pop-out on driver's side and lift-up on passenger's side. The canopy is equipped with a robust interior liner and has LED lighting. Central locking on rear window and passenger side lift-up window. A water and dust defence kit for the tailgate is also included. Also available with roof rails.	Refer p.15
NP <b>Touring Canopy.</b> The highly functional Touring canopy allows you to choose your window configuration with large lift-up and sliding window options available. Provides good ventilation for pets and easy access to the load bed contents.	Refer p.15
<b>Side Bar Steps.</b> The side bar steps in stainless steel measure 76 mm in diameter and lend the vehicle a stylish and striking side design which further emphasises its ute character. In addition to enhancing the vehicle's appearance, the side bar steps also serve as steps when boarding and exiting the vehicle and during loading and unloading.	
02 <b>Silver.</b> Available Q3 2018.	A4708501100
NP <b>Black.</b> Available Q3 2018.	A4708501200
NP <b>Nudge bar.</b> Under development.	
NP <b>Bull bar.</b> Under development.	
<b>Styling Bar.</b> The perfect accompaniment to the striking and robust ute design and lends the vehicle an even more progressive appearance. The styling bar is installed and removed quickly and can be combined with the hard cover for even greater appeal.	
03 <b>Silver – suits hardcover</b>	A4708902100
NP <b>Black – suits hardcover</b>	A4708902300
NP <b>Silver – suits no cover or soft cover</b>	A4708902000
04 <b>Black – suits no cover or soft cover</b>	A4708902200
NP <b>Sailplane Sports Bar.</b> Under development.

	Part Number
<b>Rollcover.</b> The aluminium rollcover made from robust, high-quality aluminium helps protect the load against moisture and dust. It can be opened and closed in stages. Locking takes place via a separate key. Not compatible with Styling bar.	
01 <b>Black</b>	A4708511600
02 <b>Silver</b>	A4708511100
<b>Hardcover.</b> ABS plastic. Thanks to the hard cover's design and paint finish in the same colour as the vehicle, it blends into the design of the ute. It offers protection against weather and theft. It is unlocked via a separate key and has an automatic LED light - meaning the cargo can be found quickly and easily even in the dark. Dust and water defence kit for the tailgate included.	
03 <b>Hardcover for vehicles with styling bar</b>	Refer p.15
NP <b>Hardcover for vehicles without styling bar</b>	Refer p.15
<b>Soft cover.</b> The weather-resistant soft cover can protect the load from moisture, solar radiation and prying eyes. The PVC tarpaulin is tear-resistant and water-repelling. Additional fastenings and cross struts ensure that the load is provided with perfect protection and as little water or ice can collect on the tarpaulin as possible. Simply rolling up the cover provides quick access to the load. When it is rolled up, the soft cover is secured to the bulkhead with 2 fastening straps. "Mercedes-Benz" lettering positioned in the centre at the rear visually upgrades the soft cover.	
NP <b>Black, for vehicles with styling bar.</b> Available Q3 2018.	A4708511000
04 <b>Black, for vehicles without styling bar.</b> Available Q3 2018.	A4708510900
NP <b>Water and dust defence kit.</b> Black, rubber. The water and dust protection consists of 3 seals at the tailgate, which help to protect the bed from water and dust. A seal is vertically attached to the edge of the bed on the left of the tailgate and another on the right. The third seal is secured horizontally to the underside of the tailgate so that it lies against the bottom of the bed when the tailgate is closed, in order to prevent the ingress of fluid or dust in this location. Standard with Sports canopy, Hardcover and Rollcover.	A4707410100

## Cargo & Care

	Part Number
01 <b>Load bed liner.</b> Kit, black, plastic. The weather-resistant under rail bed liner provides protection for the bed from damage to the paintwork. Mercedes-Benz branded single piece under rail liner for the load bed and a separate liner for the tailgate. Compatible with the bed covers, the lashing rails and the load anchoring rail system at the side walls. Fitment of the load bed liner does not allow a pallet to fit between the wheel arches.	A4708511500
<b>Floor Load Anchoring Rails.</b> 4 load anchoring rails attached to the floor of the bed make it possible to help secure the load. Includes 4 removable tie-down eyes with stainless steel rings, which can be flexibly attached to the rails and used for lashing the load.	
NP <b>Silver for vehicles without load bed liner.</b> Available Q3 2018.	A4708105900
02 <b>Silver for vehicles with load bed liner.</b> Available Q3 2018.	A4708106000
03 <b>Storage box / toolbox.</b> Black, polyethylene. The lockable storage box provides plenty of room for tools or other equipment with its cargo volume of 156 L, and protects stored objects from the weather or theft. It is robust, long-lasting, and water-resistant. Since it can also withstand high-pressure cleaning equipment and car washes, it can be easily cleaned. The storage box is fitted in the load anchoring rail system and is adjustable. Only in conjunction with load anchoring rail system (VV2).	A4705800000
04 <b>Bed divider system.</b> Black / silver-coloured, plastic. The load area partitioning system made from black anodised aluminium, black anodised metal and black plastic subdivides the bed into 2 separate parts. It fixes the load and can help to transport cargo safely on the load area. The system is adjustable and is suitable for loads weighing up to 100 kg. It is fitted in the load anchoring system. Only in conjunction with load anchoring rail system (VV2).	A4708510600
NP <b>Window weather shield.</b> Under development.	B64724700
NP <b>Technical underride guard.</b> Silver-coloured, stainless steel. The 3-piece technical underride guard made from robust stainless steel help to protect the engine, transmission and exhaust system. The openings make it easier to carry out maintenance work.	A4705200000
NP <b>Sliding floor.</b> Providing easy access to your cargo, especially when a canopy is fitted, the sliding floor allows you to utilise the full width of space in your load bed. Smart rail system, adjustable tie downs and grippy floor surface.	QCRB 788CBXD

	Part Number
01 <b>Towbar.</b> The heavy duty towbar will transform your vehicle into a towing workhorse. Together the towbar and intelligent wiring harness guarantees seamless connection to all the vehicles on-board systems. Class 4 box hitch. 3,500kg / 350kg downball on 4x4 models. 3,200kg / 350kg downball on 4x2 models	B64314700
NP <b>Trailer Wiring Harness.</b> The intelligent wiring harness offers a secure connection between vehicle and trailer. German-engineered waterproof 7 pin flat.	B64544700
02 <b>Brake controller.</b> The brake controller designed to suit most common trailer braking applications, requires minimal dash space and is simple to operate.	B64544701
NP <b>Tailgate Damper.</b> For added safety and convenience the damper slows down the speed of the tailgate descent.	B64744700
NP <b>Roof Carrier Bars.</b> Basic Carrier Bars for Roof Rails. Silver-coloured / black. Basic carrier bars for roof rails. For quick, flexible attachment to the roof rails. The basic carrier bars are only to be used on the roof of the vehicle cab. Do not use the basic carrier bars on the rails on the canopy.	A 4708980000
03 <b>Roof mounted bicycle rack.</b> Silver-coloured / black.	A0008900293
04 <b>Ski and snowboard rack, standard.</b> Silver-coloured / black. Suitable for basic carrier bars and basic carrier bars for roof rails. Designed to hold max. 4 pairs of skis or 2 snowboards, depending on height of bindings.	A0008900493
05 <b>Ski and snowboard rack, comfort.</b> Silver-coloured / black. Suitable for basic carrier bars and basic carrier bars for roof rails. Designed to hold max. 6 pairs of skis or 4 snowboards, depending on height of bindings.	A0008900393

## Safety

	Part Number
NP <b>Charger with trickle charge function 5 A, for lead-acid and lithium batteries, AUS/NZ.</b> This compact, cutting-edge charger is specially tailored to Mercedes-Benz requirements. It "revives", recharges, checks and maintains the charge.	A0009823421
NP <b>Fluorescent jacket.</b>	A0005833500

**Q LIT 00 102 0892** X-Class Accessory Brochure

This brochure has been compiled by Daimler AG of Germany or one of its Group Companies to provide a general indication only of the range of vehicles, optional extras, accessories, merchandise and/or products (together, the range is known as the "Products") available in various countries. Some of the Products shown may not be available in Australia, or may only be available in a different specification. Additionally, some Products may only be available in combination with others. Colours may differ slightly from those shown in the brochure, owing to the limitations of the printing process. Products available while stocks last. Changes may have been made to the Products since this brochure was printed. The information in this brochure is therefore indicative, illustrative and provided only for guidance and should not be relied upon. For current information on the availability, design, features and prices of Products available in Australia you should contact your local authorised Mercedes-Benz Dealer. April 2018.
